

Feature Wall

Add light, privacy, colour and the fantastic feeling that only a glass wall can give you to your home. With a huge selection of blocks available, you can cost effectively build a feature wall to suit your style.

One of the best aspects of a Blokup feature wall is that the selection of blocks on offer allows you to build a magnificent addition to your home or office that will fit in any décor. Whether you want to partition an area or just create a unique talking point, a Blokup wall offers so many options and installation is a breeze.

Talk to one of our experienced staff about what options are available and learn how easily you can create an elegant look in your space that only a glass block wall can give your home.

Assemble frame and fasten in opening

Line silicon across centre of frame and bed in 1st row of glass blocks
